Dear Mark Farmaner,

This serves to confirm receipt of your letter dated 19 January 2022.

We are closely monitoring the situation in Myanmar at the moment and are hopeful that the situation will improve.

Scatec develops our projects at the highest international standards, including the IFC's performance standards, and will endeavour to minimise and mitigate any negative impact caused by our projects in close dialogue with all project stakeholders.

If and when the situation in Myanmar allows, we will ensure to follow the same standards for the Middle Yeywa project.

Yours sincerely

Roar Haugland
