Australia Awards are prestigious international Scholarships and Short Courses funded by the Australian Government. Australia Awards equip recipients with the skills and knowledge to drive change and contribute to the economic and social development of their own countries.

All recipients of Australia Awards become part of the Australia Global Alumni network, connecting them to Australia and to each other – building an engaged and influential global network of leaders and advocates, and establishing a network of ambassadors for Australia and its first-class education system.

An important area of focus for Australia Awards is the empowerment of women and the inclusion of people with disability and individuals from disadvantaged social groups.

WHAT ARE AUSTRALIA AWARDS SCHOLARSHIPS?
